

karib zene

karib zene (Afro-Caribbean music): gyűjtőfogalom a karib-szigetekre jellemző]] [Reggae, Soca, Calypso zenére.](#) [1]

Tamás megjegyzései: The Caribbean is an archipelago of extraordinary musical excitement, bringing the influences of African beats, the Blues and many other idioms. From the Reggae inspirations of Jamaica's Bob Marley, to the syncopation of Cuba's Tito Puente, to the driving Soca rhythms from Trinidad and Tobago, the Caribbean is a ever-changing world of musical brilliance, both danceable and inspirational.
