

West Coast

Az USA nyugati partvidéke. Az itt kialakult zenei irányzatok jelzője.

- [west coast blues](#) [1], [west coast jazz](#) [2], [west coast rock](#) [3]
- [East Coast](#) [4]

Tamás megjegyzései: [[West Coast School]]: A much criticized label for the 'Cool' style (q.v.) as it was taken up in California in the early 50s by mostly white players, like Dave Brubeck, Gerry Mulligan, Chet Baker and many lesser figures like pianist Russ Freeman. In addition to the typical features of cool Jazz, the style experimented with 'classical' instruments and complex counterpoint.
